### Product description

Extra sturdy plastic army jerry can with a capacity of 20 liters including cap and pouring spout. The army green jerry can is UN approved and suitable for the safe storage and transport of petrol, diesel and other fuels. The screw cap is attached to the neck of the jerry can with a plastic cord so that you cannot easily lose it. Easy to use due to the sturdy handle and the flexible spout. Close with the screw cap. The army can has a large filling opening of 28 mm, making it large enough to fill with a fuel pistol at a gas station. Resistant to UV.
