Technical information

Productnumber : 64608081N

Product description

Pallet stacking frame made of steel 120 x 80 x 80 cm. suitable for euro pallets. Equipped with practical hinged windows (see film) on the long side so that the contents are easily accessible. The pallet stacking frames can be stacked up to 2 tons. The advantage compared to wire mesh boxes is that these pallet stacking frames take up much less space. When they are not needed or when they come back empty. Very suitable for the storage or transport of bulk goods. In addition, the system can easily be used as a sales display. The four catch plates allow multiple stacking.

Specifications

Article arrangement: New

Version: 1 flap at 1 long side

Walls: mesh 50*50*4 mm

Colour: green

Surface treatment: powdercoating

Width (mm): 800

Useful height (mm): 800

Weight (kg) 25

Options: WITHOUT PALLET

Additional specifications: without pallet

Type: foldable construction stackable

Material: steel

Euronorm (mm): 1200 x 800

Ral colour: 6011

Length (mm): 1200

Height (mm): 800

Loading capacity (kg): 1000

Stacking load (kg): 2000

Type number: 64F

EAN Code (Gtin) 8719424012675
