Technical information

Productnumber : 99-172-D

Product description

Plastic pallet edges in Euro pallet format for extra hygiene and ease of storage. Plastic collars for pallets are particularly suitable for use in an environment where hygiene requirements apply, but these pallet collars are certainly also suitable for the export of goods. Think of protecting boxes and building an export packaging, transporting loose parts or putting together a bulk packaging. The collars are equipped with 6 galvanized hinges and are therefore foldable and therefore space-saving and cost-saving in storage and transport when not in use.

Specifications

Article arrangement: New

Version: 6x hingeable

Food-safe: yes

Colour: black

Internal length (mm): 1155

Internal width (mm): 755

Type number: 172-D

EAN Code (Gtin) 8719424136968

Type: hingeable construction stackable

Material: plastic

Euronorm (mm): 1200 x 800

Length (mm): 1200

Width (mm): 800

Height (mm): 200

Additional specifications: without pallet
