Product description

High quality hand pallet truck with short forks. This short fork pallet truck is ideal for confined spaces with a small turning circle. The large steering wheels make the pallet truck extremely easy to turn: maneuver pallets easily and lightly from A to B. The comfortable handle controls the lifting, driving and lowering of the pump truck manually. The torsion-free frame is made of sturdy steel construction and highly wear-resistant powder coating. Polyurethane tandem load wheels: high quality, comfortable and quiet. The tandem rollers perform particularly well on uneven surfaces and when picking up pallets transversely, this also ensures easier handling and minimal point load. Load capacity up to 2500 kg.

Specifications

Article arrangement: New

Version: lifting height 85-200 mm

Wheels front: solid rubber (steering wheel)

Colour: yellow

Surface treatment: painted

Internal length (mm): 800

Height (mm): 1220

Application: hand pallet truck

Options: short fork length

EAN Code (Gtin) 8719424027747

Type: short fork length 800 mm

Material: steel

Wheels back: polyurethane (tandem)

Ral colour: 1003

Length (mm): 1200

Width (mm): 540

Loading capacity (kg): 2500

Weight (kg) 65

Type number: 1542
