Product description

New plastic pallet with security edges and closed top deck has Euro format 1200x800 mm. The heavy pallet made of scratch-resistant, high-quality plastic can be used in any warehouse and workshop and is suitable for worldwide export. Plastic pallets have a long lifespan and their use creates safe situations in your warehouse. These storage pallets do not absorb moisture, are easy to clean and do not require any special treatment against vermin. Plastic pallets always meet ISPM15 requirements

Please note! Possible residues of oil from the production process may come out of the pallets.
