

Productnumber: 704K3RZWR1650

## **Product description**

Sturdy 3-sided roll container with a plastic roll bottom with flexible rubber wheels, 2 of which have braked swivel wheels. Fast assembly and disassembly of the insert gates. 2 nylon lashing straps are supplied as standard with each roll container. Extra option to provide the roll container with a maximum of 5 (wooden, steel or plastic) floors. Very suitable for the distribution of products to and from shops and internal transport.

Please note: the photo does not correspond to the product shown due to the rubber wheels of which the castors are braked.
