Product description

COVID-19 floor marking - protect your staff and customers!

High-quality floor markings with a non-slip laminate surface tested according to the R9 standard. Widely used for demarcation in connection with COVID-19 (Coronavirus). The stickers have a diameter of 235 mm.

The stickers are suitable for use on dry, flat and clean surfaces. Designed to boost social distance. Suitable for all sealed surfaces, so ideal for internal use.

These highly visible floor marks are printed on the bottom from a clear PVC film and then laminated on the back with an aggressive permanent adhesive.

Made to help businesses comply with Coronavirus / COVID-19 regulations.

Available in different languages. Ask for the conditions.
