Product description

TÜV certified bin cabinet consisting of a new shelf rack (type 55) including 18 used plastic bins (art.nr 98-7008GB). LxWxH: 600x400x270 mm.

The Kruizinga house brand shelf rack of high quality has a load capacity of 210 kg per shelf and is very suitable for shopfitting, workshop, archive or office. The rack is very easy to assemble thanks to the clamp-click-ready system. Made of high-quality galvanized steel and with numerous available accessories, it can be used very flexibly. A storage rack with a TÜV certificate or TÜV quality mark is a confirmation that a storage rack meets requirements set by legislation, standards and quality marks.

Plastic stacking crate (600x400 mm) with 2 open handles. This robust used Euro bin has four closed walls 270 mm high and a bottom with drainage holes. The side walls have an open handle for optimal handling. Made of polypropylene with high stability. The plastic bins have a smooth, hygienic design on the inside, making them easy to clean. Thanks to the smooth and reinforced bottom, the bins are suitable for conveyors and roller conveyors.

This combination set is easy to expand with additional add-on rack with bins (art.nr CS-55-7008-AB) and accessories such as; label holders, labels, step stool/stairs or additional stacking bins.
