

Technical information

Productnumber : 852552

Product description

Platform truck with four closed walls. This box truck has two push handles as standard. With two braked castors, the platform cart is extremely manoeuvrable.

Thanks to the closed walls, rigid boxes are an excellent means of transport where the load must be protected against fall or impact damage. That is why they are often used in environments such as production halls and distribution centers. The transport trolleys are supplied as standard with rubber fixed and swivel castors with brakes, which makes the trolley very mobile in use.

All Fetra transport carts have an EU standard EN 1757-3 safety standard.

Specifications

Article arrangement: New

Version: 4 walls closed

Walls: high-quality wood fibre plate

Wheels front: 2 fixed wheels solid rubber 200 mm

Wheels back: 2 castor wheels 200 mm. wheel locks

Ral colour: 5007

Length (mm): 1180

Width (mm): 710

Height (mm): 990

Platform height (mm): 270

Weight (kg) 48

EAN Code (Gtin) 8719424019292

Type: Fetra container trolley

Material: pipe material profile steel

Floor: closed

Subgroup: box carts

Colour: blue

Surface treatment: powdercoating

Internal length (mm): 1000

Internal width (mm): 700

Useful height (mm): 500

Loading capacity (kg): 600

Type number: 852550
