Technical information

Productnumber: 852972

Product description

Robust shopping trolley with two loading surfaces made of waterproof plywood with an anti-slip profile. The retractable platform trolleys save space by 75%. The cash and carry trolley is extremely suitable for order picking and internal transport. Equipped with two swivel wheels with brakes and two fixed wheels so that the car is easy to steer. The upper platform has a load capacity of 80 kg with a total load capacity from 500 kg. The powder coating gives the CC car a robust and scratch-free exterior.

Specifications
