Product description

Double-sided cantilever trolley with 24 cantilever arms (37 cm), 12 pieces on both sides. The support arms are equipped with PVC hose for anti-slip and protection of the goods. Very suitable for storing long goods. The two swivel castors with brakes and two fixed castors make the cantilever cart handy and manoeuvrable. The frame is treated with a powder coating that makes the car scratch-free and robust. The load capacity per level is 120 kg (60 kg per side) with a total load capacity of 500 kg.
