Technical information

Productnumber : 8630604003-GB

Product description

Used ramp, made of aluminium and measuring 2000x600x40 mm. A durable and reliable solution for bridging height differences. The driving surface has an anti-slip profile, providing extra grip and safety during loading and unloading. Despite a dent, the ramp retains its functionality.

Specifications

Article arrangement: Used

Version: fixed construction

Top: driving area of anti slip profile

Surface treatment: signs of use

Width (mm): 2000

Type number: HFB55/60

Max Height (mm): 40

Type: access ramp loading dock

Material: aluminium

Colour: colorless

Length (mm): 600

Weight (kg) 27

Min Height (mm): -23
