## Product description

Used steel mesh container with wooden bottom in steel profile of euro size 1200 x 800 mm. On one long side the gitterbox can be folded half open. The steel frame and mesh are painted for a robust exterior. The sturdy base on four legs makes the gitterbox suitable for forklift and pallet truck and can be picked up from any side. The top has a raised edge for easy stacking of the box.

Specifications

Article arrangement: Used	Type: fixed construction stackable
