Product description

Using these add-on edges, which are suitable for the 1000x800 Euronorm, increases the height of a pallet. It allows you to stack more goods without taking up extra floor space. The combination of wood with steel hinges provides a sturdy and robust construction that can withstand wear and tear and long-term use. This makes them suitable for repeated use. Thanks to the collapsible function, these add-on edges can be folded down after use. By complying with the Euronorm of 1000x800, these collars are designed to fit perfectly on pallets with these dimensions.

Specifications

Article arrangement: Used

Version: 4x hingeable

Euronorm (mm): 1000 x 800

Length (mm): 1020

Width (mm): 820

Height (mm): 225

Weight (kg) 7.5

EAN Code (Gtin) 8719424233230

Type: attachment bracket hinging/stackable

Material: wooden and steel corners

Surface treatment: galvanised with signs of use

Internal length (mm): 950

Internal width (mm): 760

Internal height (mm): 195

Type number: 7145GB
