Technical information

Productnumber : 12-1523EURD

Product description

The Master Lock Custom Combination Padlock features a 64mm wide metal body for strength and durability. The shackle with a diameter of 7 mm is 25 mm long and made of hardened steel and is therefore extra resistant to cutting and sawing. The combination with 4 soft dials and 2 grip points offers non-slip grip and keyless convenience.

- 64 mm wide metal housing for durability
- Hardened steel shackle for extra resistance to cutting
- The convenience of the self-adjusting 4-digit combination allows thousands of combinations
- Soft dials with 2 grip points for non-slip grip

Also available in the colors blue, green and orange. Ask for the conditions.
