Technical information

Productnumber : 12-8418EURD

Product description

The Master Lock Adjustable Cable Lock is 6 feet (1.8 m) long and features an 8 mm diameter braided steel cable for maximum strength and flexibility. The protective vinyl coating prevents scratches. The integrated keyed and pin cylinder locking mechanism offers superior resistance to cracking. Rust-resistant lock and vinyl-coated cable provide superior weather and scratch resistance.

- Patented locking mechanism keeps cable taut at any position from 30cm to 1.8m, providing infinite locking positions
- Interchangeable cables for flexible application
- Braided 100% steel cable
- Weather and rust resistant lock housing and cable
- Vinyl covering and lock housing bumper prevent scratches
- Band holds cable together for small storage of lock

Specifications

Article arrangement: New

Version: adjustable, with locking mechanism

Colour: black

Width (mm): 8

Type number: 8418EURD

EAN Code (Gtin) 8719424173857

Type: padlock

Material: steel/plastic

Length (mm): 1800

Weight (kg) 0.4

Additional specifications: incl. 2 keys
