

Technical information

Productnumber : 98-7245GB-AB

Product description

This add-on section for the 98-7245GB-S1 and 98-7245GB-S3 shelf racks, provides additional storage space and flexibility. With dimensions of 525x1000x2200 mm, it is designed to fit seamlessly into the existing shelf rack, allowing you to easily expand storage capacity without taking up much extra space.

The add-on section consists of:

- 2 uprights of 210cm
- 5 supports of 50cm
- 5 shelves of 100x20cm
- 5 shelves of 100x30cm
