Product description

Fully collapsible large volume container in block pallet format (1200x1000 mm). This storage bin can be stacked when folded and unfolded. The large volume box is made of high quality plastic (HDPE) and has closed walls and a closed bottom. The pallet box stands on slides and is therefore easy to pick up with a forklift or pallet truck.

Please note! B-quality with damage: broken bases/pallets + broken corners (see photos).
