Technical information

Productnumber : 99-5469GB

Product description

Used stackable euro crates 500x300 mm. This green stacking box is made of plastic and has perforated walls of 260 mm high and a perforated bottom. This makes the storage box dirty and permeable to air, so that the contents are optimally protected. The two open handles on the short sides make it easy to pick up and put away.

Specifications

Article arrangement: Used

Version: walls + floor perforated

Walls: perforated

Food-safe: no

Length (mm): 500

Width (mm): 300

Height (mm): 260

Volume (ltr): 29

Type number: 5469GB

EAN Code (Gtin) 8719424038743

Type: stackable

Material: plastic

Floor: perforated

Colour: grey/green

Internal length (mm): 480

Internal width (mm): 280

Useful height (mm): 220

Weight (kg) 1

Additional specifications: light edition
