

Product description

With the SafeClamp from Altrex, you can transport your ladder safely every time. Lashing straps and ladder clamps are history. The SafeClamp allows you to easily secure your ladder to the roof of your van or car. Once the ladder is in position, position the SafeClamp and pull the handle. With just one movement, the ladder is secure. The SafeClamp is 5 times quicker than the traditional security systems for transporting ladders. With the SafeClamp you can get on the road in the blink of an eye.
