

Technical information

Productnumber : 72503925

Product description

The Leveler is a telescopic folding ladder. You can use the folding ladder in A-position or in the ladder position. Moreover, the ladder and the ladder legs can be telescopically adjusted, so that you can use it easily on an uneven floor, e.g. in a stairwell. Furthermore, the fixed wheels allow you to easily move the folding ladder. Tackle any professional task with the Leveler.

The horizontal standing area with anti-slip profile provides comfort. With the flared beams, you are always safe and stable. The self-blocking hinge locks the ladder into any position. Guaranteed safety!

Specifications

Article arrangement: New

Version: 4x5 steps

Subgroup: Ladders

Width (mm): 665

Depth (mm): 2200

Options: Norm: EN 131

Additional specifications: type use: professional

EAN Code (Gtin) 8719424175363

Type: Altrex folding ladder

Material: aluminium

Colour: alu silver

Height (mm): 1580

Weight (kg) 16

Type number: 503924

Work height (mm): 6730
