Product description

The Falco is designed for intensive use. It is double-sided accessible and can be used on both sides. The robust, shaped treads are ideal for any professional task. The unique hinging system on the top platform makes this stepladder exceptionally safe to use.

The grey coating is not just stylish, it is also dirt-resistant and does not come off on your hands. Strengthening braces and large anti-slip feet ensure stability. The safety guardrail gives you additional safety. When folded up, the stepladder is easy to transport. The self-locking spreader protection (from FDO 2x3) means you can be sure that the stepladder will not fold up inadvertently. Anti-slip feet also provide sturdiness and stability. A stepladder for any professional task.

The Red Step® on your ladder/steps indicates the height at which you can safely work. In the blink of an eye, you can clearly see how high you can go.

Specifications

Article arrangement: New
Version: double-sided, 2x6 steps
Subgroup: Stairs
Width (mm): 560
Depth (mm): 1210
Options: Norm: EN 131
Height when folded (mm): 1500
Horizontal platform (mm): 1400
EAN Code (Gtin) 8719424174694

Type: Altrex industrial stairs
Material: aluminium
Colour: grey/red
Height (mm): 1520
Weight (kg) 12
Type number: 192322
Additional specifications: type use: professional
Work height (mm): 3400
