Technical information

Productnumber : 98-5026GB

Product description

Used rack box or parts box made of plastic including divider(s). The lightweight industrial bins offer space for a maximum of 3 dividers and are easily stackable with the same widths. Thanks to the dividers, you can easily sort small parts and/or materials in your warehouse racks, grab stocks, order pick locations, service trucks or workshop. The shelving unit is standard equipped with a label holder on the front.

NB! The bins are NOT sorted: storage bins can contain 1 to a maximum of 3 dividers.
