## Technical information

**Productnumber : 854882**

### Product description

Filing trolley with three floors and open walls. The load capacity per floor is 50 kg with a total load capacity of 150 kg. The frame is powder coated light gray for a robust and scratch-free construction. The floors are made of light gray wooden plate. The file trolley is very manoeuvrable due to the four swivel wheels, two of which have brakes.
