

Productnumber: 8518212-1

Product description

This platform trolley is suitable for heavy loads with a maximum load capacity of 1200 kg. Due to the high-quality elastic, non-marking tires with ball bearings, the shelved trolley is handy and has a smooth running. The warehouse cart has two front walls and one rear wall of a tubular frame. The top three floors are loose and have a smooth side and a non-slip side. The separate levels are adjustable in a grid of 100 mm. The load capacity per floor is 180 kg. The warehouse cart is equipped with two swivel castors with brakes and two fixed castors. The frame is powder coated and is therefore scratch-free and robust.
