Technical information

Productnumber : 851140

Product description

Folding table top trolley with two floors. The frame is made of steel with a powder coating that makes it impact and scratch resistant. The floors are made of wood with a beech decor top layer. The load capacity of the top loading surface is 80 kg with a total load capacity of 250 kg. The warehouse cart is manoeuvrable due to its two braked swivel wheels and two fixed wheels.
