Technical information

Productnumber : 855862

Product description

Mobile table with three floors made of wood. The table consists of a steel frame with a worktop made of 19 mm thick sandwich plate with a top layer of beech decor. The levels are variably adjustable in a grid of 50 mm. The table can be moved by its four swivel castors, two of which have brakes. The load capacity per floor is 50 kg with a total load capacity of 150 kg.
