Product description

Used platform trolley, with sturdy wooden board and dimensions of 1200x610x1000 mm. Provides a solid platform for transporting goods safely and efficiently. Equipped with two fixed and two swivel wheels, all 200 mm in diameter and made of rubber, this trolley offers excellent mobility, even on different surfaces. In addition, rubber wheels absorb vibrations and shocks, making them suitable for use on uneven terrain and hard floors. This cushioning feature minimises noise and also reduces wear and tear on both the trolley and the floor. The handy push handle facilitates pushing and manoeuvring the trolley, while the sturdy wooden board provides the perfect base for transporting various goods or materials.
