Technical information

Productnumber : 98-7188GB

Product description

Used shelf trolley with dimensions of 1370x800x1560 mm. The trolley is equipped with two swivel castors with brakes and two rubber fixed-wheel castors with a diameter of 200 mm. This ensures smooth and stable movement on various surfaces. The brakes on the swivel castors provide extra stability and safety during loading and unloading. Wheels made of rubber ensure quiet and smooth movement of the shelf trolley. In addition, rubber wheels minimise vibrations and shocks. The shelf trolley has two middle shelves that are adjustable in height, allowing the space to be adjusted as required for different types of goods. However, the bottom and top plate are not adjustable, but still provide a sturdy surface for placing goods.

Specifications

Article arrangement: Used

Version: 2 open side walls

Floor: wooden floor plate

Wheels front: 2 castor wheels with wheel locks 200 mm.

Wheels back: 2 fixed wheels, solid rubber 200 mm

Colour: blue

Length (mm): 1370
