Product description

Used trolley with dimensions of 1130x700x1880 mm. The trolley is equipped with two swivel castors with brakes and two rubber fixed-wheel castors with a diameter of 200 mm. This ensures smooth and stable movement on different surfaces. The brakes on the swivel castors provide additional stability and safety during loading and unloading. Wheels made of rubber ensure quiet and smooth movement of the shelf trolley. In addition, rubber wheels minimise vibrations and shocks. The trolley has three adjustable shelves and a fixed floor made of wood.
