

Technical information

Productnumber : 98-7193GB

Product description

Used shelf trolley with dimensions 1350x600x1660. The trolley comes with 12 plastic storage bins. A feature of this shelf trolley is the possibility to be coupled via a drawbar, making it easy to pull several trolleys behind each other. Moreover, the trolley is equipped with a writing board and a fold-out writing tray, which is useful for jotting down information or keeping track of inventory. The trolley is moved smoothly thanks to the four rubber swivel castors, two of which are equipped with brakes. In the centre is a buck support wheel of 80 mm diameter, providing additional support. With push handles, this shelf trolley is easy to push and steer.

Specifications

Article arrangement: Used

Version: storage boxes included

Walls: mesh

Wheels front: 2 castor wheels solid rubber 125 mm

Wheels back: 2 castor wheels solid rubber, 200 mm

Colour: grey

Length (mm): 1350

Width (mm): 600
