

Technical information

Productnumber : 98-7220GB

Product description

Used shelf trolley with dimensions of 1070x710x1840 mm, equipped with two fixed-wheel and two swivel wheels made of rubber with a diameter of 200 mm. With the ability to adjust the two shelves to six different heights, each with an intermediate step of 200 mm, this trolley offers a versatile solution for transporting and organising various items. This allows different items of various sizes to be easily transported and organised. These features make the shelf trolley a convenient and flexible tool for efficient goods management.

Specifications

Article arrangement: Used

Version: 2 adjustable shelves

Floor: wooden floor

Subgroup: Used
