Product description

High quality workbench widely used in warehouse or packing departments. Very suitable for packaging work, inspection work and light or heavy assembly. The workbench has a scratch and impact resistant powder coating and a worktop made of 40 mm thick beech wood treated with clear linseed oil. The frame is made of steel and makes the table easily adjustable in height (min. 65 cm, max. 100 cm).

Supplied with mounting material + drawings. (see a manual below)
